

CENTRO DE INVESTIGACION Y DE ESTUDIOS AVANZADOS DEL INSTITUTO POLITÉCNICO NACIONAL

Professor of Chemistry

The Department of Chemistry at the Center of Research and Advanced Studies (Cinvestav), leading public research institution in Mexico City, is seeking for a highly motivated and creative chemist to fill a Faculty Professor position that is currently available.

Faculty members participate in graduate student supervision, teaching and research. A strong background in Inorganic Chemistry is required.

Desired skills and experience

Applicants must possess a Ph.D. degree in Chemistry, postdoctoral experience and a strong background in Inorganic Chemistry. An outstanding academic and research record, as well as a strong commitment to graduate teaching, including mentoring students is required.

Salary

Salary will be based on qualifications.

The position is tenable from December 1, 2016.

How to apply

Interested applicants fulfilling the requirements should send a cover letter with a research proposal, full CV and the names and contact details of three academic references to Dr. Alberto Vela (avela@cinvestav.mx), Head of the Department of Chemistry.

The application deadline will be noon on October 31, 2016. If you need any assistance, please get in touch with Dr. Alberto Vela or Dr. Jorge Tiburcio (jtiburcio@cinvestav.mx) on +52 (55) 57473800.
